Year of Birth: 1945

Married, two children: 1973 and 1976

Professional Affiliations

Fellow of the Society of Actuaries

Member of the American Academy of Actuaries

Honorary Fellow of the Institute of Actuaries (U.K.)

Honorary Member of the Actuarial Society of South Africa

Education

MBA University of Chicago, 1970

AB University of Michigan, 1967

Current Activities

Mr. Bolnick is a consultant to the health insurance industry. His current consulting activities focus on wellness programs and health insurance risk selection problems. He is also a Member of the Board of the Illinois Comprehensive Health Insurance Plan

Mr. Bolnick has developed and teaches a highly regarded international healthcare financing and health insurance to actuaries and insurance executives in actuarially developing countries. These seminars have been taught in a number of CEE countries, Asia, Africa, and Central America.

Prior Business Affiliations

1995 – 2008, Adjunct Professor at Northwestern University Kellogg Graduate School of Management where he taught a course “Risk Bearing Markets and Insurance”.

2000 – 2006, co-founder and Chairman of the Board of InFocus Financial Group, LLC, a venture to develop and to sell health and other innovative insurance products using creative direct response methods. System developed by the company has been spun-off as a viable insurance software company.

1997-2000, founder, President, and CEO Radix Health Connection, a specialty investment bank organized to facilitate transition of blocks of business from traditional insurance companies to managed care plans.

1996-1998, Board of Directors, PM2, a start-up venture to provide specialized information to managed care plans. Company sold to United Healthcare.

1980-1995, President and minority owner, Celtic Life Insurance Company, a health insurance company operating nationwide from its Chicago executive offices. Mr. Bolnick was responsible for Celtic’s entry into the health insurance business and for general management of the Company. Under his leadership the Company grew from \$7 million premium in 1980 to over \$200 million. Profits and net worth showed equally dramatic increases.

In 1994, Celtic formed a new business, Celtic Health Plans, to develop and operate managed care plans aimed at small businesses. Mr. Bolnick was instrumental in strategic and operational planning for this new enterprise.

1976-1980 Coopers & Lybrand. Mr. Bolnick became a partner of the Firm in 1979. He specialized in actuarial consulting to life insurance companies.

1967-1976 Continental Assurance Company, a subsidiary of CNA Financial Corporation. Mr. Bolnick served in various technical, managerial and Corporate Officer roles in the Actuarial Department. Prior to leaving in 1976, Mr. Bolnick was the Actuarial Officer responsible for all insurance pricing matters.

Business Background

Throughout his business and professional career, Mr. Bolnick has been heavily involved in health care financing. He has written numerous articles and spoken regularly on health insurance, managed care and health policy subjects. He has served in leadership positions in important professional, trade and civic organizations. Mr. Bolnick is internationally recognized as an authority on health care financing and health insurance matters.
